intro system

The Classic Intro folding panel system has been the class act of fabric displays for years. No other folding panel system has the versatility, strength, and durability of the Intro system. The patented internal sprocket hinge and lightweight aluminum frame maintains perfect panel alignment and ensures easy set-up. Want a custom look? The Intro offers tailored fabric inlays, custom counter shapes, and elegant accents that put this portable system at the head of the class.

Set-up the Intro in just minutes without any tools. Reconfigure the system from an 8 ft., 10 ft., or tabletop depending on your expanding needs.

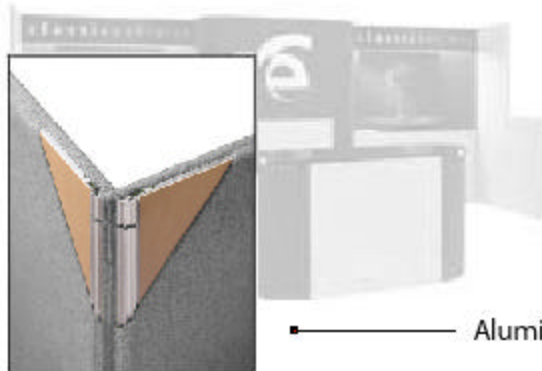

BENEFITS
