quadro<sup>system</sup>

The Classic Quadro pop-up is engineered for structural strength, stability, and durability. Its reinforced frame makes it virtually indestructible.

The Quadro's square tube-construction and wide footprint enables it to hold up to 75 lbs, making it ideal for a video monitor presentations or for products displayed on shelves or in shadowboxes. It comes with a lifetime warranty and the choice of both straight and curved frames.

#### BENEFITS

- Curved and straight frames
- Easy monitor mounting capabilities
- Multiple shelving and shadowbox options
- Structural strength frame
- Fabric and graphic panel solutions
- Sturdy case-to-counter conversion kits

#### FEATURES

Load bearing strength

roto-molded cases
