Euro LT Hybrids General Setup Instructions

Using Your Setup Instructions

The Euro LT Hybrids Setup Instructions are created specifically for your configuration. They are laid out sequentially in levels, including exploded views, and a logical series of detailed steps to assemble the main structure and components. We encourage you to study the instructions **before** attempting to assemble your exhibit.

Cleaning and Packing Your Display

- 1) When cleaning laminate countertops or panels use mild cleansers and a soft material such as cotton.
- 2) Keep all display components away from extreme heat and long exposure to sunlight to avoid warping and fading.
- 3) Retain all packing material. It will make re-packing much easier and will reduce the likelihood of shipping damage.

Level 1 = Blue
 Level 2 = Red
 Level 3 = Green
 Level 4 = Black

Color Code

The top clip is color coded to distinguish the level. The color coded clip also contains the numbered label

Each component has 2 clips, the lower clip is ALWAYS black..

Components connect together by aligning them and sliding downward connecting clips together.

Configurations are assembled from left to right, usually starting with #1 and following the numbered sequence.

The first level of components contains panel locks that are located at the top of the panel for extra stability and a seamless connection. When disassembling panels, twist top connection slightly and lift right panel upward.

Item Number	Description
1	Lower Conference Door
1A	Door Stop
2	47.5" h 90° Connector
3	23" w x 47.5" h Flat Panel
3A	47.5" h End Cap
41A	47.5" h End Cap
41	23" w x 47.5" h Flat Panel
42	47.5" h 45° Connector
43	23" w x 47.5" h Slatwall Panel
44	23" w x 47.5" h Slatwall Panel
45	47.5" h Flex Connector
46	11.5" w x 47.5" h Flat Panel
47	47.5" h 90° Connector
48	23" w x 47.5" h Flat Panel
49	47.5" h 90° Connector
50	23" w x 47.5" h Slatwall Panel
51	23" w x 47.5" h Slatwall Panel
52	47.5" h 90° Connector
53	23" w x 47.5" h Flat Panel
54	47.5" h 90° Connector

Steps:

- 1) Assemble all the panels together as shown.
- 2) Attach lights to top of assembled backwall, see Light Connection detail.
