The EDPA Portable/ Modular/Hybrid Summit

The EDPA Portable/Modular/Hybrid Summit will be held during Exhibitor2013 on Tuesday, March 19th from 3:45pm to 4:30pm in the Food Service Area (far right of exhibit hall) of Mandalay Bay North Convention Center.

2013 is off with a bang and across the industry the impact of the positive start is being felt. So what's new? What's Selling? What should you be selling? And are you missing out on any new opportunities within the Portable/Modular/Hybrid segment of the market. Join us for this informative 45 minute session/update on what's been happening led by Kevin Carty of Classic Exhibits. Discussion will include design, graphic and production trends as it relates to this continually growing and evolving segment of the Tradeshow Industry.

A panel discussion will follow with experts from Exhibit Design, Graphics, Distribution and Manufacturers, including Katina Rigall of Classic Exhibits, David Brown of Optima Graphics, Greg Beach of Atlantic Exhibits, Chris Griffin of Trade Show Supply and Anita Mitzel of GraphiColor Exhibits.
